

ADOA – General Accounting Office

QUICK REFERENCE GUIDE: AFIS SYSTEM LOGIN AND TROUBLE SHOOTING

AFIS SYSTEM LOGIN AND TROUBLE SHOOTING

Overview

As a new AFIS user, you will receive an email to support your efforts to gain access to the system. The email (subject: **Your AFIS System Access**) provides your temporary password to gain access to the system. See the content for this email below:

Your temporary password was created for AFIS <https://afis.az.gov/PRDFIN2X1/Advantage>. You will be required to change your password after your logon. If you have questions please contact the ADOA Service Desk at 602.364.4444, opt 4. Credentials:

Password: XXXXXX

To access the system using the URL, your connection to the network may vary.

- If you use VPN to connect, you will need to activate your VPN prior to accessing AFIS with this URL.

This Guide will assist you with the following system log-in activities:

- Logging in to AFIS Financial System
- Changing your Temporary Password
- Changing your Password Hint
- Using the Forgot Password Link
- Changing your Password
- Trouble Shooting

Logging into the AFIS Financial System

Login by using the following URL, access the AFIS web page.

<https://afis.az.gov/PRDFIN2X1/Advantage>

1. **Enter** your User ID, which is your **EIN or PIN**.
2. **Enter** your Temporary Password that you received in the **Your AFIS System Access** email
3. Click **Login**

Note: Contact your Agency Security Administrator if you do not have this information

Changing Your Temporary Password

When you log into the system with a temporary password assigned, you will be prompted to enter your temporary password.

1. **Enter** your temporary password in **Old Password**. We recommend that you copy and paste the temporary password you received in the email
2. **Enter** your new password in **New Password**
3. **Re-enter** your new password in **Confirmed Password**. See the table below for the requirements for a valid password

Password must contain all of the following:	
Minimum Length	8
Maximum Length	16
Contain 1 numeric value	Yes
Required Upper Case	Yes
Required Lower Case	Yes
Special Symbol Flag	@ . - \$ # %
Cannot Contain User ID	
Cannot Contain 'password'	

Changing Password Hint

If this is the first time logging in, set up your password hint so that you can manage your own password.

1. On the **Secondary Navigation Panel** (located on left side of AFIS), click **Administration**
2. Click **Change Password Hint**
3. **Choose** a question from the **Password Hint** drop down list
4. **Enter** your **Password**
5. **Enter** your **Reply**
6. **Re-enter** your Reply in **Verify Reply**
7. Click **Change Password Hint** to successfully set up a Password Hint. You will now be able to manage your password if you have forgotten your password. See the next procedure for how to reset your own password using the Password Hint feature

Using the Forgot Password Link

By setting up your Password Hint, you can reset your own password in AFIS. You should use this feature before your user ID becomes locked (because of too many bad password attempts). After 6 attempts, you will be locked out of the system and will be required to contact the ADOA-ASET Service Desk at 602-364-4444, option 4 to issue you a new temporary password.

Click **Forgot Your Password** link from the Log-in screen.

1. **Enter** your User ID, then click **Continue**. (If you wish to refresh the User ID box, click **Reset**)
2. You will be presented with the **Password Hint** question that you previously setup. Enter your **Reply**
3. Click **Reset Password**
4. Your **temporary password** will be sent to your email address on record.

When you log in next, you will be prompted to change your

temporary password. See the procedure above for the steps to change your temporary password

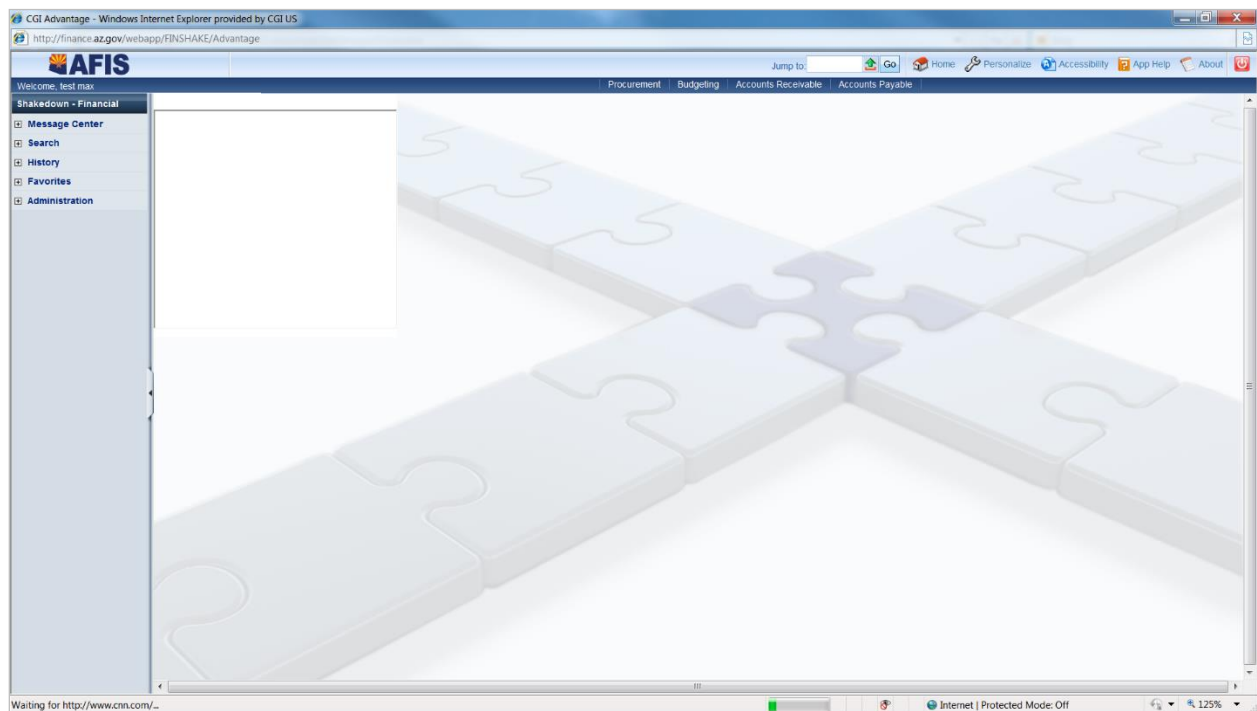

Changing a Password

If you need to change your password for general security purposes:

1. On the Secondary Navigation Panel (located on left side of AFIS), **click** Administration
2. **Click** Change Password
3. **Enter** Old Password
4. **Enter** New Password
5. **Re-enter** your new password into Verify New Password
6. **Click** Change User Password

Successful System Access

Once you have successfully logged into AFIS, you will see the following screen.

Saving the AFIS Web Address

Now that you have verified your ability to access AFIS, this would be a good time to add the URL to your favorites or save a link to your desktop. Instructions are given for Internet Explorer.

Adding to Favorites While on the AFIS Home Page

<https://afis.az.gov/PRDFIN2X1/Advantage>

Ensure you are on the correct web page URL (given on the above line)

- Select **Favorites** then, **Add to Favorites** in the Task Bar at the top of the page
- Enter a name for the webpage (e.g. *AFIS Login*) and select a location for your Favorite to be saved
 1. Select **Add**
 2. Verify the page was added by looking in the **Favorites** section of your task bar

Adding an AFIS Link to your Desktop While on the AFIS Home Page

<http://afis.az.gov/PRDFIN2X1/Advantage>

Ensure you are on the correct web page URL (given on the above line)

- Select **File** then, **Save As** in the Task Bar at the top of the page
- **Browse** to your Desktop, which will likely be located at the top left of your Navigation Pane or can be found by typing *Desktop* in the Search bar
 - You can save this link anywhere; we recommend the Desktop for simplicity
- **Enter** a Name for your link (e.g. *AFIS Login*)
- **Minimize** all applications so you can view your desktop and verify the link was added successfully

Trouble Shooting

When calling the ADOA-ASET Service Desk for assistance, identify that your system sign-in issue is with AFIS. An easy way to communicate this is to indicate that you are accessing the system using a URL.

URL does not work

- When you find that you cannot access the system, you should contact your Agency AFIS Security Administrator.

Forgotten Password

- This Quick Reference Guide provides instructions on how to establish a password hint when changing your temporary password. In this way, you can reset your own password.
 - You can request a password reset by contacting the ADOA-ASET Service Desk at 602-364-4444, option 4.

Note: If you call for ADOA-ASET Service Desk assistance, only you can call to request a password reset; the temporary password will be emailed to your agency email address.

Locked User

- You have 6 attempts to enter the correct password before being locked out of the system. Once you are locked out, you must request a new temporary password from the ADOA-ASET Service Desk.
 - Contact the ADOA-ASET Service Desk at 602-364-4444, option 4.

Incomplete user access

- If you discover that you need additional or revised user security rights, use the UDOC process in AFIS to request the revisions. If you need assistance with this, contact your Agency AFIS Security Administrator.

If you believe that you have the right authorization and it appears not to be functioning, contact your Agency AFIS.
